*Welcome! We are so happy you have taken the first step in signing up your child for the Future Missette Program! Here is a little History about the Miss Butte County Scholarship Program:*

The program began around 1960 with the Golden Feather Girl. About 1966, the program name was changed to Miss Butte County. The program experienced many changes as society always does. During the 1990's the infamous "bathing suit" competition was removed as a phase of competition in hopes to change the façade of a "Beauty Pageant."

The Miss Butte County Scholarship Competition provides an opportunity to enhance your personal development in the areas of poise, self-confidence, communication skills, and good sportsmanship. All contestants can enjoy participating in the event and receive a memento of the competition. It will be a memorable learning experience for those who challenge themselves by being a participant. The competition is not a beauty contest, but rather a program that fosters community service and personal development through the various areas of competition.
