

Trailer Sites Sign Up & Expectations

This year trailer spots are limited in the RV Park. All sites along the fence line and dry camping are available. In an effort to modernize the reservation process please see the following procedures:

June 8 at 9 AM- RV PARK

1. Will be posted on the [entries website](#). **LIMITED TO 14 RV PARK SPOTS.** You must have an exhibitor entered with livestock projects to receive a spot. You can go online prior to June 8 and create an account for your exhibitor if they have yet to enter an animal. If they do not have an animal entered by June 25th your spot will be revoked with NO REFUND.
2. After you pay online through the website, you will need to complete the [application](#) so we have documentation on record with the trailer details and contact info. That paperwork will need to be brought to the fair office or emailed within 48 hours or you will lose your spot.
3. Once this is all complete you can contact the fair office and confirm that your paperwork and spot are reserved.

June 9 at 9 AM- Fence Line & Dry Camping

1. Will be posted on the [entries website](#). **LIMITED TO 41 FENCE LINE SPOTS.** You must have an exhibitor entered with livestock projects to receive a spot. You can go online prior to June 9 and create an account for your exhibitor if they have yet to enter an animal. If they do not have an animal entered by June 25th your spot will be revoked with NO REFUND.
2. After you pay online through the website, you will need to complete the [application](#) so we have documentation on record with the trailer details and contact info. That paperwork will need to be brought to the fair office or emailed within 48 hours or you will lose your spot.
3. Once this is all complete you can contact the fair office and confirm that your paperwork and spot are reserved.

Trailer Site Cost:

\$275 RV Park spaces have power, water, and septic hook-ups (gravel area)

\$225 Fence Line power and water hook-ups ONLY (Barn areas)
